

SECTION 2 - SHOPPING

Activity Sheet 1—Estimating shopping costs

Using the table below, estimate how much the vegetables for the soup will cost. Round any decimal points up to the nearest penny.

Vegetable	p/100g	Amount needed for the recipe	Estimated cost
onions	5p/100g	190g	
potatoes	4p/100g	200g	
celery	6p/100g	150g	
leeks	20p/100g	220g	
carrots	7p/100g	200g	
TOTAL			

TUTORS TIP!

To make this exercise more challenging, consider giving the unit price as £/kg

SECTION 2 - SHOPPING

ANSWERS—Activity Sheet 1

Using the table below, estimate how much the vegetables for the soup will cost. Round any decimal points up to the nearest penny.

Vegetable	p/100g	Amount needed for the recipe	Estimated cost
onions	5p/100g	190g	10p
potatoes	4p/100g	200g	8p
celery	6p/100g	150g	9p
leeks	20p/100g	220g	44p
carrots	7p/100g	200g	14p
TOTAL			85p
