

## SECTION 2 - SHOPPING

### Activity Sheet 2—Shopping

You need to write a shopping list and then buy the items you need for to make the soup.

#### **TUTORS TIPS!**

Prior to the shopping trip discuss with the student such things as

- in which part of the supermarket they might find the ingredients they need;
- how much extra they need to buy to allow for preparation and wastage;
- could they save money by using items already in their cupboard;
- value for money and special offers.
