

## Warrington Trading Standards– Consumer Alert Network

### **Warning about: Powerwashing Roofs & Driveways**

#### **Background**

Warrington Trading Standards have been notified of a man offering to powerwash roofs and driveways in the Stockton Heath area. The man left a leaflet giving both a mobile and Freephone number. Although there are claims of a 7-year warranty the leaflet does not include the name or address of the trader.

#### **Advice**

If someone approaches you offering these services do not be pressurised into agreeing to have work done. You should always get a number of quotes and know exactly what you will be paying for.
