Warning about: Sale of Can and Bottle Crushers

Background

It has been brought to the attention of Trading Standards that a home shopping catalogue is advertising can and bottle crushers for sale on the basis that these items must be crushed before going into the new blue recycling bins.

Warrington Borough Council would like to make it clear that this is not the case and only recommends that these items are crushed but it is not necessary.

Advice

Our advice is please do not feel pressured into buying an item that you may not require.
