

Warning: Fake Websites selling GHD Hair Stylers and Ugg Boots

Background

In the weeks leading up to Christmas Warrington and Halton Trading Standards service have received numerous complaints from residents who have purchased GHD hair stylers and Ugg boots from fake websites. These sites have been designed to look like official websites, but as you navigate your way around the website it will become apparent that this is not the case. Consumers are not receiving the goods ordered or, more frequently, receiving poor quality counterfeits.

Advice

Warrington & Halton Trading Standards would advise consumers that if they are buying either of these goods online it is safer to do so only on the official websites of the companies, or their authorised suppliers.
