

WARNING: Bogus Council Worker

Following a report from a vigilant iCAN member, Police have, earlier today, picked up a male going door to door offering loft insulation.

The male who claimed to be working for the Council was wearing a fluorescent jacket and carrying a folder. He tried to gain access to a house in the Lymm of Warrington area but after being asked by the householder to produce identification, he quickly left and was then later picked up by the Police.

Residents are advised to be on their guard and are assured that anyone who claims to be from the Council will have ID. This can be verified by telephoning the Contact Centre on 01925 44 33 22. Please, if you are in any doubt do not allow access and report to Cheshire Police on 101.

Please pass this information to family members, friends, neighbours and anyone you think maybe vulnerable.
